Simple Prayer

Prayer—Find the Heart's True Home, Richard J. Foster

Have a conversation with God about your day, as if you were talking with a friend. Share the ups & downs, joys & struggles, what went well & what do you wish you could do differently.

"To believe that God can reach us, and bless us in the ordinary junctures of daily life is the stuff of prayer."

Know that God can handle anything we bring to prayer so be honest and vulnerable. Prayer is the safest place for us to be completely transparent and vulnerable.

A regular practice of honest prayer, which incorporates our whole selves, is a step toward a deeper faith.

"...prayer is nothing more than an ongoing and growing love relationship with God the Father, Son, and Holy Spirit."

This week I commit to practicing Simple Prayer for _____ days and I will give myself grace in the process.

*You are invited to a time of community
and refreshments on the patio.*
